

a medicinal oil cooked in combination with K&njikam and Sarja-rasa, applied with the admixture of cold water, instantly allays heat and burning sensation, and should be employed in alleviating the burning sensation of the body which characterises fever of contaminated blood (fever induced through blood-poisoning or Septecitnia). A decoction of Shali, Shaivala, Agnimantha, Shunthi, Pashana-Rhedakam, ShobhanJAnarn, Gokshuram, Shobhanjanam roots, or Varuna and Chhannam, taken with Yavakshara and Hingu, proves antidotal to diseases of the deranged Vayu. O Shiva, a decoction of Pippali, Pippalimulam, and Bhallitakam, internally administered, proves curative in colic and convulsions. External applications of a plaster composed of the earth of an ant hill cooked in combination with Ashvagandhi, Mulakam and water alleviate the form of rheumatism known as Urastambha. Decoctions of Vrihati root internally administered cure Sanghata-Vatam. The expressed juice of the roots of A*rdrakam and Tagaram, taken with whey, cures the form of neuresthesnia whose specific trait is a tingling sensation, O Shiva, as the thunder bolt of Indra 'cleaves a tree. The expressed juice of Asthi-SamMrakam taken, with a single meal, each day,, or with meat soup cures nervous diseases and brings about the setting of broken bones. Powders of fried barley corn reduced to a paste with the addition of goat's milk and clarified butter, and applied to

the soles of the feet, tend to ally the
burning sensation of
those localities. Plasters composed of
honey, clarified butter,
rock salt, treacle, Gairikam, Guggulu
and Sarja rasa prove
beneficial in cases of cracked soles of
womankind and children.
O thou bull-riding deity, clay-encrusted
soles of feet should be
lubricated with mustard oil and heated
over a smoldering fire.
A medicinal Ghritam ^cooked with the
admixture of Sarja-
jrasa, Siktham, Jivakam and Haritaki,
and applied to scalds
or burns alleviates the incidental pain*
Sesame-oil saturated
with the ashes of burnt barley corn
proves remedial
